As a sponsor, your organization would be listed on our website in support of the following tenets:

- 1) All treatments for individuals with autism should be guided by the best available scientific information.
- 2) Service providers have a responsibility to rely on science-based treatments.
- 3) Service providers should take steps necessary to help consumers differentiate between scientifically-validated treatments and treatments that lack validation.
- 4) Consumers should be informed that any treatment lacking scientific support should be pursued with great caution.
- 5) Objective data should be used when making clinical decisions.

By signing here, I agree that our organization supports the aforementioned tenets above:
