

ASAT Real Science, Real Hope

ASSOCIATION FOR SCIENCE IN AUTISM TREATMENT

GET INVOLVED WITH ASAT!

Providing Accurate, Science-Based Information • Promoting Access to Effective Treatment

ASAT is recruiting volunteers to participate on various committees and task forces to help provide accurate, science-based information and to promote access to effective treatment. Your time is a valuable donation. Please consider the following volunteer opportunities:

- ◆ Helping to promote our **website**, www.asatonline.org
- ◆ Helping to promote our **newsletter**, **Science in Autism Treatment**
- ◆ Writing **journal article reviews and other content** related to autism treatment
- ◆ Monitoring and/or responding to misinformation from the media and promoting accurate information through our **Media Watch efforts**
- ◆ Conducting online research for our **Pediatrician Awareness initiative**
- ◆ Reviewing **website** content and monitoring website navigation
- ◆ Helping to compile and update **links and resources** for visitors to our website
- ◆ Creating databases; and
- ◆ Participating in and assisting with **fund raising activities**

You will also gain experience serving the autism community within a prestigious and national-level organization fully committed to providing information about science-based treatment.

If interested, please fill out the application on the back of this form and return it to:

Association for Science in Autism Treatment

P.O. Box 1447

Hoboken, NJ 07030

**Or email the information to us at dceliberti@asatonline.org
and put “volunteering” in the subject line.**
